Our heroes-ish
had witnessed half
of the Earth/universe
go away, gone.

Now, they are
protecting the game
from being snaped
twice.

And is the prowler
really a hero?

Ready? Fight!
Project

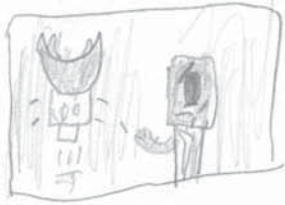

I know who you
most fear.

Hold it. I found
something.
Now!

What is it?

Some kind of part
that has the same
DNA.

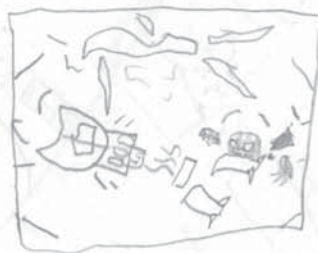

This all adds
up.

What do you
mean?

That's weird?

What if I shake
it.

My older
brother has horns
exactly like
those.

And that holo-
gram looks like
him!

And that holo-
gram has four
arms like me.

Were are we?

I don't know!

And that part
from caricar
was from...

CHUB!

This is all sweet,
but I really need
to destroy you. Now!

What happened?

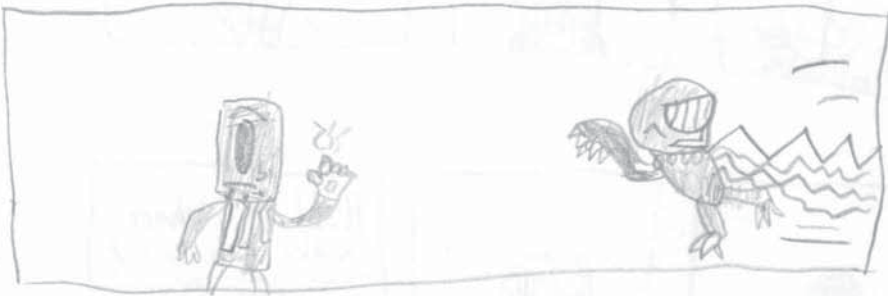

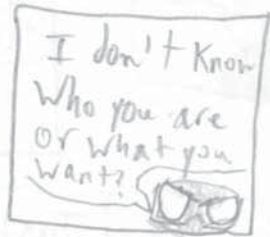

Dizzy

I don't know, I
think were in
a different dimen-
sion.

No!

To be continued...
